PLANS FOR MAY DAY PARADE AND FESTIVAL ARE NOW UNDER WAY

Melford Battye Named Chairman For The Event

Another gigantic May Day parade and festival was assured for Daly City this week, as Mayor Paul Green announced the appointment of Councilman Melford D. Battye as general chairman for May Day.

"Mel Battye did such a good job in 1948 that I know he will receive even better support this year," the Mayor said, in inviting veterans organizations, fraternal and civic clubs, recreation officials and representatives from all schools to take part.

Last year several thousand people lined Mission street to watch the parade, in which nearly a thousand took part. Twenty-five hundred more crammed the Jefferson High School stadium to watch a field pageant put on under the direction of Elman Rose, director of recreation for the city.

Floats from the recent St. Patrick's Day parade in San Francisco have been made available for schools through the cooperation of Edward Allen, who handled arrangements for the local entry in the St. Patrick's parade.

Individuals and organizations wishing to take part in the pageant were told to contact Battye at the city hall as soon as possible. Prizes are awarded for leading participants, and drill teams, bands, marching units and floats are welcome in the parade, Battye said. Little girls to dance around a myriad of May-poles are required, too, he added.

Cleans Up

Clendenin Ryan, above, multi-millionaire grandson of the late William Fortune Ryan, has so far thrown an estimated $1,000,000 into his campaign to "kick the underworld out of municipal government." New York police are attempting to link him with a plot to tap the telephone wires of top city officials in New York, Chicago and Detroit.

$17,000 Judgment Rendered By San Mateo Court

A judgment for $17,00 in favor of William A. Shelley was rendered by A. R. Cotton, Judge of the Superior Court, in San Mateo March 18.

The complaint had been filed by Shelley's attorney, Thomas L. Bocci in 1946 against Melvin N. Morrow, driver of a 20 ton truck which struck the small truck driven by Shelley. It was claimed that Morrow was driving at an excessive rate of speed.

Shelley was awarded $10,000 for general damages, $5,400 for loss of wages and $1,279 for medical expenses, loss of tools and personal property. Both the defendant and the plaintiff are from South San Francisco.

A STRANGER'S TRIP THROUGH DALY CITY

By Robert L. Behre

Printed below is a copy of a poem written by Robert L. Behre, original owner and editor of "The Tattler," a newspaper published in Daly City before it became the Daly City Record. Glance through it and maybe you "ole timers" will recognize some of the people and places.

"Daly City, end of the five-cent car line," the conductor called aloud.
Mos' ev'ry one got hustlin', I piled off, too, with the crowd.
I did'nt know a single soul, I didn't know a street
The candy store looked good to me, myself I thought I'd treat.
To the lady 'hind the counter, I jes' spoke, like this, and sed
Ain't this the town they used to say was awful, awful dead?
"You're right, old man, a fellow said, who jes' stepped in the door
"That was when it was 'Vista Grande' but nixie not no more.
"Beg pardon," I jes' said to him, "What be yer bloomin' name?"
Who me? O just plain Mullins, But I'm Trustee just the same.
I left to take in all the sights. I had no City Guide
I hadn't walked more than a block, when a large board sign I spied.
"RECORD CORNER" it did read, well, I broke one getting there
But, they was so busy printin' news, they told me take a chair.
The office girl directed me, to White, the City Clerk,
He's 'bout the busiest man in town, his middle name is "work"
He made me feel like one at home and told me "Who is Who"
Mos' ev'ry one came in the place all shook hands with me too
I must have had a "seedy" look, for here's the reason why—
A feller they called Hopper, kept on me his eagle eye
I was gettin' kind of anxious, to see all that could be seen
And was just about to leave the place, when speaks up Trustee Green
Well, now seein' yer a stranger, p'haps you'd like to have a friend,
But my fingers 'Bo are always crossed should yuh Bone me for a lend.
I'll take yuh down to see the spring and show to yuh the lake,
The pumpin' station, tank and all, and Smacks too (if you'll wait)
We'll walk 'round to the Court house, the Judge you'd love to meet
But if yuh own an Auto, Jes' steer clear of Lowen's beat.
"Whoa there! hold these horses Sul, and don't let them run amuck"
Then jumping from his buggy, James T. left it all to "Duck"
Who be these two? I sed to Green, O! the Supervisor hey,
Well who's the chap leading his team, to the pound while he's away?
What yuh lookin' at my friend, that ship out there at sea?
Naw this fellow comin' up, he walks with dignity
O he's the whole works, spring and key he's sure a real live wire
I tell yuh he's no amateur that's Honorable Mayor Freyer.
Looks like trouble over yonder there's some one talkin' loud
O that's Trustee Oberhaus boosting Daly to the crowd
And when we get the fountain it's ten to one they'll say
It's "Obies'" boosting got it, But just let them dream away.
It's gettin' time to think of home, so I'll have to leave yuh pard
I surely had a pleasant trip Just you let me have yer card
Din. Quillinan heard this last remark And slipped one to him quick
I'm sure it was his business card A real live agents trick.
Well, here's my car, I hate to go. Well you're like 5,000 more
Who came out here and settled down 'Fore there was a single store
In "Frisco" now a-days they'll say when a family moves away
I'll bet in "Daly City" you can find them any day.

COUNCIL HEARS PROTEST ON ANNEXING PARTS OF ABBEY HOMESTEAD

Thre protests on the proposed annexation of portions of two blocks in Abbey Homestead, adjoining Hillside Manor, were received by the city council Monday night.

Represented by attorney Tom Bocci, the protestants were B. Picetti, Adeline Arata and the Ivani brothers of Colma, who challenged the procedure under which other property-owners had requested annexation to Daly City.

The Sterling Building Company, developers of Hillside Manor, had petitioned for annexation of the area to Daly City approximately a month ago. The city council had set last Monday night as a hearing date on the question.

After hearing Bocci's protest, Mayor Paul Green continued the hearing until Monday, April 11, to give both sides an opportunity to present arguments.

A motion was passed by the council to set the salary of building inspector at $350 per month. The examination for the position was set at April 23 with 5 p. m. April 8 as the deadline for filing applications. Applications are received in the City Hall. The council also passed a motion to appoint David Hansen, No. 1 on the Civil Service eligibility list, as a patrolman.

A resolution to pay half the cost of traffic signals at School, 87th street and Junipero Serra boulevard was passed. The city's share amounts to $10,500. The Joint Highway District will match the sum.

Two ordinances were passed. One was to abandon a portion of Bepler and Mission street. The other was a disaster ordinance giving authorities to official agencies in cases of disaster.

The Pacific Gas and Electric Co. presented a certificate of gross revenue and payment of the gas and electric franchise. Payment amounted to $1679.16 for the gas franchise and $1057.70 for the electric franchise.

The gasoline consumption report showed that 1290 gallons of gasoline were used during the month of February.

Annual Luncheon Slated April 2 For NDGW Grand Officers

The deputy grand presidents of the Native Daughters of the Golden West, San Mateo county, will hold their annual luncheon at the Benjamin Franklin Hotel in San Mateo April 2.

Lunch will be served at 1:30 p.m. according to District Deputy Grand President Dorothy Donofrio. Reservations may be made by calling Christine Hulme, DElaware 3-6424.

Lend-Lease Cruiser to Be Scrapped

The Russian steamer Molotov, foreground, ties alongside the cruiser Murmansk, formerly the U.S.S. Milwaukee, off the Delaware coast, and prepares to receive Russian sailors for the return trip to the Soviet. The cruiser, recently returned to the U. S., has been in Russian hands since it was lend-leased by the U. S. for wartime service in the Red navy. Headed for the scrap heap, the ship will first be thoroughly inspected by naval authorities to learn as much as possible about Russian methods of operation.

STATE DEPT. FINANCE GIVES FINAL APPROVAL FOR SCHOOL FACILITIES

ZONING ENGINEERS, CITY COUNCIL CONFER IN PRELIMINARY DISCUSSION

A preliminary discussion on zoning of Daly City was held Wednesday night by the Daly City Council in consultation with Hahn, Campbell and Associates, zoning engineers.

Several months will be necessary to form a final draft of the zoning which will then be submitted to a hearing for the general public before its adoption. It is thought best to draft the new zoning laws now while annexation is in process.

The laws will define the particular districts which will be in line with single family residential districts, duplex residential districts, multiple family residential districts, light commercial, heavy commercial, industrial and unclassified districts.

Judge Fahey Will Head S.F. Elks For Coming Term

Judge John J. Fahey Jr., justice of the peace of the first township, San Mateo county, will be installed into the highest post of the San Francisco Lodge of Elks on Friday night, April 1 — that of exalted ruler. He will serve for one year.

Judge Fahey has held various official posts in the San Francisco Lodge of Elks since he joined the order in 1941. He has been a justice of the peace in San Mateo county since 1943, with the exception of two years service in the United States Navy during the war. From February 1 to April 30 of this year he is serving as a judge in the San Francisco municipal court. He has been practicing law since 1931 and is married and has two children.

The Elks' annual installation of officers will take place in the clubrooms at 456 Post street, commencing at 8:30 p.m.

More than 1,000 peninsula and San Francisco Elks are expected to turn out tonight to pay homage to their new leader at the installation ceremonies.

Man Swept Into Sea At Devil's Slide Last Saturday

Morris M. Brannan, 34, was swept into the ocean and probably killed by a 20-foot wave as he was clambering down the rocks on a fishing expedition at Devil's Slide last Saturday morning, according to his companion. His body has not been found.

Brannan, who lived here with his wife and two small children, had gone to the dangerous coastal area with Sidney R. Cowell, also of Daly City.

At approximately 7:45 a.m. the two fishermen were making their way down the 800 foot cliff. Brannan was in the lead, carrying two fishing reels.

Behind him, Cowell said he saw the huge 20-foot breaker coming in like an express train and turned to scramble desperately up the rocks.

When Cowell was able to turn again he saw that Brannan was gone, dragged into the churning surf by the wave, according to Cowell's account.

Cowell went immediately to Sharp Park for assistance, and the Mills Field Coast Guard station sent a B-17 plane and a heliocopter to the scene.

A San Francisco Coast Guard station also sent six men, and aides from Point Montara joined the search along the rocky beach. It is impossible to bring a boat in close at the point because of the rough water and rocks, the Coast Guard men explained.

Deputy Sheriff Donald Hartnett and Chief William Regan of the Ocean side police district also entered the vain search for Brannan's body. They found only his coat.

Pet Shop Is Something New For Daly City

Daly City has an added touch of spring in the air. It's provided by the cheerful chirping of the birds in Daly City's new pet shop located at Mission street across from the Bank of America.

The shop is owned and operated by Al Maggi and Jim Devlin Jr., both Daly City boys who live on Crocker avenue.

At present parrakeets (love birds) canaries, and African love birds are included in their bird selection. In the fish line they have gold fish and various tropical fish such as guppies, scalare, bettas and black mollies.

The pet shop will also have a supply of puppies soon. They plan to start breeding German rollers.

In addition to the pets they will carry a list of pet supplies, including bird cages, dog collars and harnesses, various bulk bird seed, dog food and dog disease remedies.

Queen Sugar

Joyce Oubre, 20, of New Iberia, La., named "Queen Sugar VII" for next fall's Louisiana Sugar Cane Festival, is shown in Washington where she is sweetening up government officials toward the event. The small bags hold lump sugar which Queen Joyce uses in her work.

YEP---- IT'S TRUE

Frank's had his face lifted—

We don't mean Frank himself (although maybe he should have) —just his Union "76" Station located at 6200 Mission street.

The station is now in tune with spring, what with a new paint job, new gasoline tanks, and a new minute tire changer.

However, the friendly service at the station has not changed. Drop into Frank Rehe's service station and see for yourself the "new look" that has been installed. Maybe your car needs some "face lifting" done too.

Formulate Plans For Men's Group At Presby. Church

The men of Grace Presbyterian church met last Friday evening at the Masonic hall, to formulate plans for a men's organization. James Dowell, T. W. Swan, and Jack Price were in charge of the evening. Forty-five men attended and enjoyed an evening of fellowship and refreshments.

The guest speaker, Reverend Kenneth Adams, of Calvary Methodist church in San Francisco held the group spellbound as he told of his trip to the Amsterdam meeting and his visit to European countries.

Foundations For Woodrow Addition Are Being Poured

Final approval on the allocation for construction of school facilities at Woodrow Wilson, Garden Village, and Market and Hillside streets was recently given by the State Department of Finance. State money will be placed in the county treasury for this construction.

The original application was approved in an amended form however. Projects approved included the Woodrow Wilson Primary School addition of two classrooms and two kindergartens; the Garden Village kindergarten and six classrooms including additional site expansion, and eight classrooms and site at Market and Hillside boulevard.

The original application included 67 classrooms, eight kindergartens, six administration units, six libraries, four home economic rooms, four shop and six multiple purpose rooms. They have received consideration under the over-all district plan. Immediate steps will be taken to secure financial assistance and approval of these remaining classrooms after construction on the other three projects has been started.

At the present time, foundations of the Woodrow Wilson addition are being poured, plans for the Garden Village unit are in Sacramento awaiting approval of the State Department of Architecture, and the working plans and specifications for the Market Street and Hillside School (to be named the "Colma" school) are on the architect's drawing board. Mario J. Ciampi is the architect on all three projects.

JURY FINDS S.F. MAN IS NOT GUILTY

A Daly City jury brought forth a verdict of "not guilty" last Thursday in thte trial of Arthur Viscarello, charged with assault and battery. Viscarello, a resident of San Francisco, was accused of beating up Hugh Ingersoll, a foreman with Huber Brothers, when the latter allegedly fired him from his job February 14.

Serving on the jury were Nemesio E. Paredes, 788 Bellevue avenue; Gladys Kennedy, 6893 Mission street; Richard E. McDonough, 418 Winchester street; Bertha Lawder, 1246 Brunswick street; Della Beal, 34 Rice street; Evelyn G. Lovett, 373 Niantic avenue; May Baker, 154a Vista Grande avenue; Caesar S. Luckhardt, 235 Miriam street; Elsie E. Moran, 366 Willits street; Henry J. Thomas (foreman of the jury), 152 W. Moltke street; Peter Benassini, Werner avenue; Guadalupe Morgan, 407 Hillside boulevard.

Melvin E. Cohn of San Carlos represented the defendant. Deputy District Attorney Henry F. Davis represented the state.

Cooney Quits As San Mateo County Personnel Director

County Personnel Director Russell J. Cooney changed jobs this week.

He has handed in his resignation to the civil service commission, announcing that he has accepted the job of personnel director of the City of Pasadena.

Cooney said the Pasadena job had better future opportunities.

School Trustees To Advertise For Bids On Approval Of School Bldg. Plans

A motion authorizing Superintendent of Schools James Snell to advertise for bids as soon as approval of the Garden Village School plans were received from the State Department of Architecture, was made last Thursday at the meeting of the Board of Trustees of the Jefferson School District.

The motion also carried the recommendation that the district adopt a resolution in setting minimum salaries.

The trustees also went on record as favoring legislation making mandatory the reservation by the subdivider of adequate areas for school sites and recreation purposes whenever and wherever a new subdivsiion is planned and that Planning Commissions of the County or City may not approve such plans unless this space is so reserved.

A letter from the American Roofing Co. offering roofing service under certain specifications, brought forth the motion that the District authorize an inspection of the school roofs by this company and the Superintendent of Schools at no fee, and that minor repairs of an emergency nature could be authorized by Superintendent Snell.

Calif. Physicians' Service Is Doing the Job

Today more than 750,000 Californians can attest to the fact that the medical profession in this state has mobilized to meet a great public need.

This is the number of persons who now have health security protection in California Physicians' Service — the Blue Shield Plan for hospital, medical and surgical care. Behind this plan stands the resources, skill and knowledge of 9500 practicing physicians and surgeons. The California Medical Association, and all county medical societies, endorse and support the plan.

It is true that with the turn of the century, medical knowledge and technique expanded so rapidly that there was a drastic increase in the cost of administering this new knowledge. It is true that some means was needed to help people afford this care, when family health emergencies struck. In the Blue Shield - CPS Plan, the doctors have answered that need. They have given the people of this state a non-profit prepayment plan with monthly membership dues well within the reach of every family. Today, through CPS dues, members may budget in advance for future illness, accidents and operations. In any time of misfortune their CPS membership card is assurance that the major bills will be paid. They know that they may go to the doctor and hospital of their own choice, and that their CPS membership is effective anywhere in the world. Further, they know that CPS is a non-profit organization, and that 85% of all dues paid (only 15% is utilized for administration and a reserve for contingencies) is available to pay for the service required, and extended to, members.

In providing CPS protection, California's medical leaders have set a pattern which today is being copied in all other states of the Union. A recent survey shows that today more than ten and a half million Americans belong to one of the nation's voluntary and medically sponsored health security plans. An estimated six million Californians already have some sort of prepaid health protection, when one adds to the CPS total the various prepaid insurance and hospitalization plans which are today available.

Certainly this surpasses in growth and public acceptance any other similar prepayment project in history, and it has been accomplished in a surprisingly brief period of time. Today, CPS membership is available only to employees of groups of five or more people. But a plan is now being devised and will be available later this year to enable families to enroll on an "individual" basis. When this membership coverage is offered, the present rapid growth of CPS will be even further stimulated.

California Physicians' Service is doing the job. In the last five years alone, membership has multiplied by more than eight times! There is no reason that this growth cannot and will not continue. With 23,000 new enrollments averaged each month, CPS is unquestionable proof that a plan, entered voluntarily under the framework of our free enterprise system can meet any challenge which may arise.

Federated Girl Scout Councils Hold Second Annual Dinner Meeting Here

"We believe in girls and what girls can do; we believe in the scout program and what it can do for girls." The preceding was a quotation from a talk by speaker of the evening, Mrs. Edward Gould, executive director of the Girl Scout Area, who chose as her theme, "Come Along With Us," at the second annual dinner of the Federation of Girl Scout Councils of Northern San Mateo County, Tuesday evening, March 29.

A group of over 100 adults in scouting and guests attended the dinner held at Estrada's, Colma.

The Central (Coordinating) Committee is the group which is responsible for administering the Federation. Its purpose is to coordinate the plans and scout activities for the staff on a Federation-wide basis and to plan and execute activities relating to the Federation such as the annual meeting, and all the activities stemming out of the Federation-wide committees whose chairmen are members.

The evening commenced with color ceremony performed by members of Daly City - Colma troops: Lorraine Cady, Edith Prescott, Esther Larson, Margaret Michelson, Patricia Michelson, Evelyn Larson. Singing of "Grace" was led by Mrs. Raymond Pabst of the Daly City - Colma Bayshore council.

Singing games were presented by Brownie Troop No. 13 from Colma, accompanied on the piano by Mrs. Jean Cyr. The girls made their own costumes of aprons and shawls as a group project. The Girl Scout chorus, a newly organized singing group, favored the audience with songs.

The tables were beautifully decorated with pine boughs, spring flowers and yellow candles. Decorations chairman was Mrs. Floyd Huff, area staff and office chairman, and her committee.

For place cards each guest was given a copy of the Federation's annual report cleverly set up in booklet form in colors of yellow and green. Report chairman was Mrs. H. B. Kleinen of San Bruno, assisted by members of the newly formed area public relations committee: Mrs. Roy Eckert, secretary; Mrs. Irvin Kramer, Daly City; Mrs. J. K. Leonard, South San Francisco; Mrs. Charles Evans, Millbrae.

Announcement was made at the dinner regarding the number of registered scouts in the area. Statistics show 1338 registered Girl Scouts in 92 troops led by 375 adults.

Among guests for the evening were: James Snell, superintendent of elementary schools, and Stanford Hannah, superintendent of Jefferson Union High school, Daly City; Willard Engvall, superintendent of schools, San Bruno; V. H. Volgamore, executive of the San Mateo County Community Chest; Charles J. Ledwith and Mrs. Victor Robinson, both of South San Francisco Community Chest; Miss Mildred Erickson, executive director of the County Council of Social Agencies; Miss Vaal Stark, director of Region XII Girl Scouts.

Fund Drive For Crippled Children Lags Far Behind

The current Easter Seal drive to raise funds to aid San Mateo county's crippled children is still far short of its 1949 goal of $40,000, according to a statement today from S. D. Merk, president of the county Crippled Children's Society.

Merk said that the 40,000 letters each containing 100 easter seals which were sent out to local residents 10 days ago have so far not produced the anticipated return.

Right Up to the Final Curtain

American Cancer Society Opens Funds Drive Friday Throughout Calif.

In accordance with the proclamation of the President of the United States, the Governor of California and city Mayors, the annual drive of the American Cancer Society for funds will get under way tomorrow (Friday) here as well as throughout the nation. It will continue for the entire month of April. The national goal has been set at $14,565,000, of which $30,000 is the quota for San Mateo county. This is the sum needed to carry on the Society's three-fold program of education, research and service in an effort to cut down the appalling death rate from cancer of one person every three minutes.

Charles E. Nussbaum, county campaign chairman, for A.C.S. stated today the work of raising the necessary $30,000 will be carried on by service clubs, civic organizations, women's clubs and committees of women. "These workers," Nussbaum said, "have been busy for weeks preparing thousands of pieces of mail. The public is asked to watch for these letters and cooperate with the A.C.S. by reading the educational literature on the subject of cancer which they contain. Coin containers to receive donations will be distributed to various places of business." Nussbaum also announced there will be special radio programs and a bureau has been set up to provide speakers for club meetings and public gatherings. If detected early enough and treated properly, cancer can be cured in about 50 per cent of the cases. The Tumor Clinic at Mills Memorial Hospital, sponsored by the San Mateo County Medical Society and the American Cancer Society, is proving of great help in the fight against cancer in this county.

Sixty per cent of every dollar raised in California will be retained in the state to be used for programs of cancer education, service and facilities. Twenty-five per cent will be allocated to national research and nine per cent to educational projects. The remaining six per cent covers administrative expense. "Contributions may be mailed in envelopes addressed simply "Cancer" and dropped in the nearest mailbox," Nussbaum said, "and through the cooperation of the postmasters they will be delivered to the county branch office of the American Cancer Society at 18 Second avenue in San Mateo.

Girl Scout Troop Celebrates First Birthday Anniv.

Girl Scout Troop No. 1 celebrated its first birthday Monday evening, March 28, at 7 p.m. at the Peoria Scout house. Mrs. Wand Michelsen, troop leader, who is ill, was unable to attend. Mrs. Margaret Prescott and Mrs. Mary Larson, co-leaders, with the assistance of Mrs. Mejia, committee member, carried out the plans for the evening.

Main event of the evening was the Court of Awards. Presentation of the American flag was made by Linda McArdle; troop flag, Sonya Thorne. Color guards were Carol Morris and Carol Landgren. Pledge of Allegiance was led by Sandra Taylor; "America the Beautiful" by Patricia Phillips; Girl Scout pledge, by Claudette Covell.

"Brownie Wings" were presented to Claudette Covell, a transferee and former Brownie. Mary Louise Stewart, a new Girl Scout, was invested after repeating the promise and giving two laws (picked at random) was welcomed into the troop. Her escort was Sharon Bradley.

Year pins and awards were presented to Phyllis Blackburn, 1-year pin, design badge and leather badge; Marilyn Pottinger, two 1-year pins and leather badge; Lee Adele Gillan, leather badge; Judy Dunne, 1-year pin, leather badge; Esther Larson, 1-year pin, leather badge; Patricia Michelsen, 1-year pin, leather badge; Sandra Taylor, 1-year pin, leather badge; Gail Alexander, 1-year pin, leather badge; Joan Dunne, 1-year pin, leather badge; Edith Prescott, 1-year pin, leather badge. The presentation of awards by Mrs. Mary Larson, ended with "Taps," sung by the troop.

The entertainment was provided by the Kangaroo Patrol; annoutcements, Linda McArdle; Carol Landgren sang "I'm Looking Over a Four-Leaf Clover"; duet by Phyllis Blackburn and Marilyn Pottinger, "Be Kind to Your Webfooted Friends"; Sonya Thorne, "Romance"; Carol Morris, "Boogie Woogie," tap dance; Edith Prescott led the scouts in a pantomime song, "The Smoke Goes up the Chimney"; Patricia Michelsen led a singing game, "When Sally Was a Baby"; Esther Larson led the Girl Scout round "Sing, Sing Together," with the guests joining in. Claudette Covell led "Lavendar Blue," and Sandra Faulk led "Far Away Places."

A tall orange candle in a log holder was surrounded by three cakes (arranged in a Trefoil) decorated with the words "Happy Birthday Troop No. 1." After the lighting of the candle "Happy Birthday" was sung.

The honor of blowing out the candle was unanimously given to the troop's mascot, little Patricia Larson, who was appropriately attired i nthe troop colors of orange and green.

The "Rainbow Patrol" is to be ocmmended for the lovely napkins, floral, and table arrangement. The refreshments, under the supervision of Mrs. Margaret Prescott and Mrs. Mejia, were served by the "Butterfly" patrol to many proud parents and friends.

The birthday wish of the troop is for the speedy recovery of their troop leader.

Less Paper Work Needed To Report Training Progress

Veterans training under the G-I Bill, as well as their schools and training establishments, will have less paper work to do under a simplified reporting system which goes into effect April 1, Robert P. Shields, manager of the San Francisco Regional Veterans Administration office, said today.

After that date, VA no longer will require monthly progress reports for veteran trainees in job-training establishments and in schools other than colleges and universities.

Instead, reports of conduct and progress will be incorporated in a report of earnings, which veterans now file and which they will continue to submit to VA every four months.

As a result of the new procedure, VA field offices will process at least 5,000,000 fewer forms a year, with an appreciable savings in clerical work, Shields said.

Schools below college level after April 1 also will report veterans' progress and conduct on the VA report of earnings.

As in the past, colleges and universities will not submit reports of conduct and progress, except to notify VA in cases of those students for whom conduct or progress has been unsatisfactory.

Shields emphasized that schools and training establishments should continue to report promptly the discontinuance of any veteran from training.

Shields urges veterans to make certain the required reports of earnings reach the VA regional office handling their cases before the tenth of the month following the date the reports are due.

Failures to submit reports in time might result in delays in subsistence checks, Shields said.

The one page report is simple. The veteran merely provides necessary information, signs his name and turns the form over to the official of the school or training establishment, who reports on conduct and progress and, when appropriate, earnings over the past four months.

STATE INCOME TAX OFFICE WILL OPEN AT SAN MATEO

All single persons living in California, with an income of more than $3,000 for 1948 and all married persons with a combined income of more than $4,500 must file a state income tax return.

To assist taxpayers in making out their returns, a state income tax office will be opened in the San Mateo city hall from April 4 to April 9, inclusive, Charles J. McColgan, franchise tax commissioner, announced today.

A state deputy will be available to provide help for anyone who wants it.

STATE INCOME TAX RETURNS MUST BE FILED BY FRIDAY, APRIL 15TH

Tax liability under the California law is determined by reference to the taxpayer's gross income less allowable deductions, personal exemptions, and credit for dependents. This article is concerned with "gross income" and "adjusted gross income" as defined in the law.

Gross income includes, in general, compensation for personal and professional services, business income, profits from sales of and dealings in property, including gain from sale of taxpayer's own personal residence (loss from sale of taxpayer's residence is not deductible), interest, rent, dividends and gains, profits, and income derived from any source whatever, unless exempted from tax by law. Income when received is taxable whether paid in cash or property. Income in the form of property is taxable to the extent of the fair market value of the assets received.

Tuition and subsistence allowances received by veterans from the federal government under the Servicemen's Readjustment Act of 1944 are not includible in gross income.

The following particular payments received for personal and professional services are subject to tax:

All salaries received including directors' fees, executors' and trustees' fees, commissions, bonuses, tips, and profit-sharing distributions by an employer to employee;

All salaries received by federal, state, county and city employees, except compensation received as a member (active or retired) of the armed forces, are taxable; likewise, notary public fees and jury fees, both federal and state;

Marriage fees, baptismal offerings and other contributions received by clergymen and other religious workers;

Payment for services received in whole or part in the form of living quarters or board and room to the extent of the value of the accommodations furnished;

Pensions paid to retired employees of a state or political subdivision thereof, and similarly, pension or retirement payments made to a former employee by a private employer, to the extent the pensions so paid are taxable under the law.

In reporting wages, salaries, or other compensation employees must include the entire amount thereof even though some portion of such compensation is deducted by the employer (1) for the purpose of creating a fund for payment of retirement pensions or (2) as a prepayment of federal income taxes.

GROSS INCOME FROM BUSINESS — In the case of a manufacturing, merchandising, or mining business "gross income" means the total sales, less the cost of goods sold, plus any income from investments and from incidental or outside operations or sources. In determining the gross income, subtractions should not be made for depreciation, depletion, selling expenses, or losses, or for items not ordinarily used in computing the cost of goods sold.

"Adjusted gross income" means gross income less the following allowable deductions:

Expenses attributable to a trade or business; expense of travel and lodging in connection with employment; actual expense in connection with employment for which a taxpayer is reimbursed by his employer (amount so reimbursed must be included in gross income); expense attributable to property held for the production of rents or royalties; certain deductions of life tenants and income beneficiaries of property held in trust; and losses from the sale or exchange of property.

Adjusted gross income is used as a basis for the determination of the amount of (1) the standard deduction, (2) the deduction for charitable contributions, and (3) the deduction for medical and dental expenses.

HI-LITES AT C.C.S.F

By Roy Hurlbert

Just one week to go, if we can manage to struggle through 'till then, and Easter vacation with all its trimmings will be welcomed by the college gentry.

Instructors and students alike take the 10-day layoff from book learning with the first quarter of the semester over and done with.

Alpha Sigma Delta presents the Carrot Top Dance, its annually sponsored affair, as the getaway atmosphere for the departure on Thursday, the last day of classes, in the campus auditorium.

College of Pacific of Stockton, sent its a capella choir for a guest appearance to the Ocean and Phelan premises last Monday and the talented group entertained during an hour session.

The first annual Alumni Association Charter Day dinner was put over yesterday evening with 200 fortunates on hand to inaugurate the occasion. Later on, the attendees took a looksee at the opening night performance of the Marriage of Figaro presented by the opera workshop.

Tickets for the latter show are available at campus offices as of today and can be had for one dollar general admission. Curtain time is 8:15 with all invited, space permitting.

Well deserved plug department: Readers of the college's bi-weekly paper, the Guardsman, are pretty well agreed some lucky editors will have in their employ two very capable scribes. One, Dayton Lawson, is a master at putting stories over in an always delightful manner in his column, Current Hilltopics. The other is lanky Dick Brennan, who never fails to satisfy with his twice a week contributions in Ramifications. Needless to say, these lads are well equipped for their chosen profession.

ATHLETIC DOINGS

Coach Bill Fischer's Ram nine travels to Stockton tomorrow for a shot at Stockton J.C.'s Cubs in an NCJCC doubleheader test.

The locals opened their conference season auspiciously Saturday as they grabbed a pair from Monterey, 4-0, and 10-2. Rookie flingers Len Jones and Ron Kiefer turned in two-hit stints with the former touring nine innings in the opener and Kiefer wrapping up the nightcap which was halted after five stanzas.

Bob McGovern, originally slated to start on the hill, failed to arrive on time, but the righthander should be on hand for coming assignments and may see action in the valley city tilts. McGovern, who twirled for Balboa in his prep days, is in the Coast Guard and must secure leave in order to hurl for the college aggregation.

Monterey didn't have much of a ball club but even so, City College looked good in winning in easy style.

Stockton dropped a twin bill to San Mateo last week, although they figure to be stronger than the peninsula horsehiders.

Nazarene Young People Enjoying Varied Activities

The young people of the Grace Nazarene church are enjoying many activities. Last Saturday evening the high school and college group went on a hayride around the countryside. Following the ride the group, 25 in all, returned to the social hall to partake of refreshments. The party was chaperoned by Reverend and Mrs. D. C. McKisson.

The young men of the church have organized a basketball team and already have played two games with teams from the city. They welcome more games from other teams.

The church has just recently purchased a new parsonage for the minister at 498 Woodrow street. Open house was held for visitors from 7 - 9 p.m. Thursday evening.

Friday evening, April 1, a large group of young people will attend a rally at the Berkeley Nazarene church. Several district officers will be present. An Army chaplain who was twice in internment camps in Germany, will be the principal speaker.

The Sunday school of the church has climbed to a new high of 136, and has set a goal for 150 attendance by May 1.

Birthday Party Saturday For Ray Lagomarsino

Ray Lagomarsino jr. celebrated his 18th birthday Saturday evening, March 26, with a turkey dinner given by his mother, Virginia Lagomarsino, at 7144 Mission street. Following the dinner the younger guests attended the play "Mr. Adam."

Guests present to wish Ray best wishes were his brother, Albert Lagomarsino; his grandmother, Angela Lagomarsino of Stockton; aunt and uncle, Mr. and Mrs. M. Nicols, and daughters, Bernice and Joan; Mr. and Mrs. Andy Lagomarsino and son Andy jr., all of Stockton; Mr. and Mrs. Fred Lane and daughter Phyllis of Colma; Louise and Laura Chessman, Dolores Dillaboy, Ray Settrini, and Mario Stanghellini.

Ray was graduated from Jefferson Union High school and is now attending San Mateo Junior college. He is president of his freshman class. Big treat of the day was a horseback ride given him by his brother.

Brownie Troop No. 7 Celebrates Birthday

Brownie Troop No. 7 celebrated its 9th troop birthday and the Girl Scout 37th birthday Wednesday afternoon, March 30, at their Peoria Scout house.

The party committee consisted of Vickie Bergera, Nadja Colby, Judy Feita, Marianne Grado. The girls planned games, place cards, napkins, and served refreshments.

Welcome visitor to the party was Mrs. Bessie Runge, co-leader, whose recently born son, Kurt Jerry, is now mascot of the troop.

Membership cards were distributed and the girls are looking forward to a big year in membership. The girls are planning Easter napkins for the hosiptals and Mother's Day gifts.

Volunteer workers for the American Red Cross, enrolled in nine Red Cross Services, gave more than 13,000,000 hours of service in the United States last year. GIVE TO THE RED CROSS.

Old Glory Auxiliary No. 2044, V.F.W. Elect Officers For The Coming Term

Mrs. Eleanor Hatt was elected president of Old Glory Auxiliary, No. 2044, V.F.W., at the meeting March 25.

Other new officers are as follows: Mrs. Lorraine Schneider, junior past president; Mrs. May Fitch, senior vice president; Mrs. Florence Costella, junior vice president; Mrs. Ethel Dorn, secretary; Mrs. Clara Poket, treasurer; Mrs. Evelyn Smith, chaplain; Mrs. Rose Fisher, conductress; Bonnie Ellenwood, historian; Mrs. Ruth Brulez, patriotic instructor; Mrs. Helen Rode, banner bearer; Mrs. Mary Conti, flag bearer.

The four colors are Mesdames Marie Miller, Jane Wiley, Florence Koshaba and Augusta Kasper. Trustees are Mesdames Bonnie Ellenwood, June Wiley, and Lorraine Schneider.

Delegates to the San Mateo-Santa Clara County Council will be Mesdames Eleanor Hatt, Lorraine Schneider, May Fitch, and Florence Costella. Delegates to the district will be Mesdames Clara Poket, Lorraine Schneider, Ruth Brulez, Bonnie Ellenwood, May Fitch, Eleanor Hatt, and Florence Costello.

Installation of officers will be held Friday, April 22, at the Masonic Hall.

Future Boy Scout At The Runge Home

A future Boy Scout was born Sunday, March 13, to Mr. and Mrs. Alfred Runge, 436 Bellevue avenue. The husky little fellow named Kurt Jeffry tipped the scales at 9 lbs. 4 oz.

His mother has been an active co-leader with Mrs. Dorothy Kramer, leader of Brownie Troop No. 7. Having been on leave of absence in anticipation of the future scout, Mrs. Runge assures all she will soo nbe back in uniform to resume her duties as co-leader.

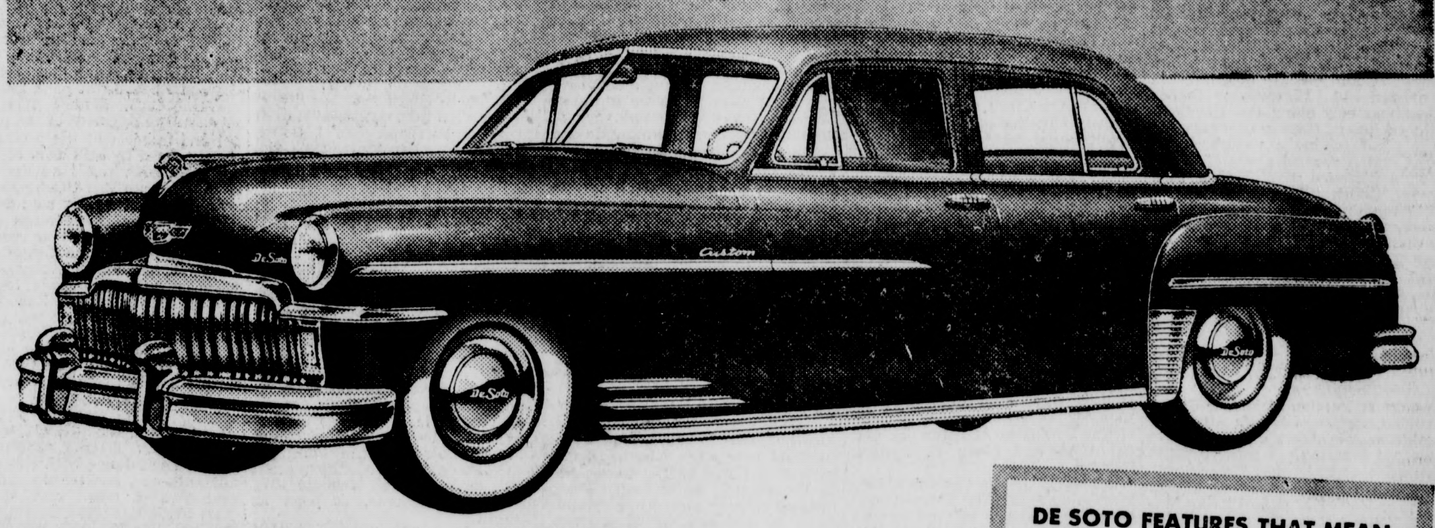
See the new DESOTO before you decide on any other car *at any price!*



Compare the others with "The Car Designed with YOU in Mind"

You cannot compare the new cars merely by looking at pictures . . . or by watching them on the highway. You've got to get behind the wheel *yourself.*

That's why we urge you to come and see this new De Soto before you decide on *any* other car.

You notice the difference right away. De Soto's doors are wide. You *walk* in . . . and keep your hat on. The steering wheel doesn't hit your knees. You're on chair-high seats, so that you get all the benefit of the larger windows and windshield.

You've got full stretch-out leg room, front and back. And you've got more luggage space in that flush-floor trunk than you ever dreamed of before.

Yes, De Soto is lower. It's got a longer wheelbase (all passengers ride between the axles). But there's no penalty for these advantages. Overall length and breadth are not increased. You needn't rebuild your garage. You can still change a tire. And a dented fender doesn't mean an expensive body repair job.

Let us show you *all* the new features of the car that *lets you drive without shifting.* Compare it for beauty, comfort, safety and value. Then decide.

Parcel 3: Portion of Bepler Street

That portion of Bepler Street, as said street is shown and delineated on that certain map entitled "Mission Street Extension Homestead" filed for record September 3, 1872 in Map Book 1 at page 12, San Mateo County Records; described as follows:

BEGINNING at the southeasterly corner of Lot 194, said corner also being the intersection of the northwesterly line of Old San Jose Road and the northeasterly line of Bepler Street as said lot, road and street is shown and delineated on aforesaid map; running **thence** northwesterly along the northeasterly line of said Bepler Street to the southwesterly corner of Lot 27 in Block T as said lot and block is shown and delineated on that certain map entitled "Map showing Subdivision of the property of the Mission St. Land Co." filed for record July 31, 1895 in Map Book 2 at page 73, San Mateo Records; **thence** southeasterly in a direct line to a point on the production southwesterly 6.96 feet, more or less, of the line between lots 25 and 26 of last said block, said point being distant 60.00 feet at right angles northeasterly from the southwesterly line of Bepler Street, said line also being the northeasterly line of Block 1, as said street and block are shown and delineated on that certain map entitled "Map of Hillcrest Showing Subdiviision" filed for record March 4, 1907, in Volume 14 of Miscellaneous Records at page 232, San Mateo County Records; **thence** southeasterly, parallel with and distant 60.00 feet at right angles northeasterly from last said street and block line to the northwesterly line of San Jose Avenue (formerly Old San Jose Road) produced southwesterly; thence northeasterly 6.96 feet, more or less, along said line of San Jose Avenue to the point of beginning.

Section 2. Reference is hereby made to the maps on file in the office of the City Clerk of the City of Daly City for particulars as to the proposed vacations.

Section 3. Monday, the 25th day of April, 1949, at 8:00 o'clock P.M. of said day, in the Council Chambers in the City Hall of the City of Daly City, be, and the same are, hereby fixed as the time and place for hearing all persons interested in or objecting to said proposed vacations.

Section 4. Notices of street vacation shall be posted conspicuously along the line of the portions of said streets so proposed to be vacated. Such notices shall be posted not more than 300 feet apart, but at least three shall be posted, and such notices shall state the passage of this Ordinance of Intention, and the time and place of hearing thereon.

Section 5. At the time and place aforesaid, said City Council will hear the evidence offered by any person interested and, if said City Council then finds from all the evidence submitted that such portion of said streets are unnecessary for present or prospective public street purposes, said City Council will make its Order vacating said above-described portions of said streets.

Section 6. This ordinance shall be published once in the Daly City Record, a newspaper published weekly in said City of Daly City, California, and hereby designated for that purpose, and shall take effect and be in force at the expiration of thirty (30) days from and after its passage.

Ordinance No. 289

AN ORDINANCE RELATING TO DISASTERS

WHEREAS, experience during war and peace has demonstrated the need for adequate disaster plans and for mobilization of the resources of the community to cope with such disasters; and

WHEREAS, the State of California has created a State Disaster Council to prepare a state disaster plan and to recommend mutual aid regions; and

NOW, THEREFORE, the City Council of the City of Daly City does ordain as follows:

Section 1. **DISASTER.** As used in this ordinance, the term "disaster" shall include, but is not limited to, any extraordinary fire, flood, riot, storm, epidemic or earthquake, or any enemy attack or sabotage, which causes or threatens to cause loss of life or property and in which occurrence the responsibility devolves upon the regular constituted authorities for the maintenance of public peace and order and the preservation of life and property. It shall not include any conditions resulting from a labor controversy.

Section 2. **DISASTER COUNCIL. MEMBERSHIP.** The Daly City Disaster Council is hereby created and shall consist of the following:

A. The Mayor, who shall be chairman.

B. The Chiefs of Divisions as hereinafter provided.

C. Such other representatives of civil, business, labor, veterans, professional or other organizations as may be appointed by the mayor with the advice and consent of the City Council.

Section 3. **DISASTER COUNCIL. POWERS AND DUTIES.** It shall be the duty of the Daly City Disaster Council, and it is hereby empowered:

A. To develop a plan for meeting any disaster. Such plan shall provide for the effective mobilization of all the resources of the community, both public and private;

B. To prepare and recommend for consideration by the City Council ordinances necessary to implement the disaster plan;

C. To consider and recommend to the City Council for approval mutual aid plans and agreements;

The Disaster Council shall meet upon call of the chairman.

Section 4. **CHAIRMAN. POWERS AND DUTIES.** There is hereby created the office of Chairman. Such officer shall be the mayor.

The Mayor is hereby empowered:

A. To proclaim the existence or threatened existence of a disaster and the termination thereof;

B. To request the Governor to proclaim a state of extreme emergency in the area in and around the City of Daly City when in the opinion of the Commander the resources of the community are inadequate to cope with the disaster;

C. To govern and direct the effort of the Daly City Disaster Corps in the accomplishment of the purposes of this ordinance;

D. To direct coordination and cooperation between the chiefs of divisions and resolve questions of authority and responsibility that may arise between them;

E. To represent the Disaster Corps in all dealings with public or private agencies pertaining to disaster preparedness.

It shall also be the duty of the Chairman, and he is hereby empowered, during a disaster or when a disaster is imminent:

A. To make and issue rules and regulations on matters reasonably related to the protection of life and property as affected by such disaster;

B. To obtain vital supplies, equipment and such other properties found lacking and needed for the protection of the life and property of the people, and bind the city for the fair value thereof, and, if required immediately, to commandeer the same for public use;

C. To require emergency services of any city officer or employee;

D. To requisition necessary personnel or material of any city department or agency;

E. To execute all of his ordinary powers as Mayor, all of the special powers conferred upon him by this ordinance, and all powers conferred upon him by any other lawful authority.

Section 5. **DISASTER CORPS. GENERAL.** Officers and employees of the City of Daly City, together with those volunteer forces enrolled to aid them during a disaster, and all groups, organizations and persons who may by agreement or operation of law be charged with duties incident to the protection of life and property in the City of Daly City during such disaster, shall constitute the Daly City Disaster Corps.

Section 6. **DIVISIONS OF DISASTER CORPS.** The functions and duties of the Daly City Disaster Corps shall be distributed among the following divisions of such corps, each division to be under the direction of a Chief and, in his absence, the first deputy and second deputy chief, respectively, appointed by the Chief, and said division to consist of the following forces, organizations and services, and such other forces, organizations or services as may be included pursuant to the provisions of this ordinance. The chiefs of divisions shall organize and train volunteers assigned to such division by the Personnel and Recruitment Division and shall formulate the division plan which, when approved by the Disaster Council, shall become a part of the disaster plan. The Chiefs of Divisions shall include in the division plans recommended mutual aid agreements. The Chiefs of Divisions shall be custodians of special equipment and other property which may be obtained from any source and assigned to such division by the Commander.

A. **LAW AND ORDER DIVISION.** This division shall be under and subject to the control of the chief of police, who shall be chief of the Law and Order Division. The division shall consist of police personnel and auxiliary police (volunteers).

B. **FIRE DIVISION.** This division shall be under and subject to the control of the chief of the fire department, who shall be Chief of the Fire Division. The division shall consist of fire department personnel and auxiliary fire fighters (volunteers).

C. **UTILITIES DIVISION.** This division shall be under and subject to the control of the Water Department, and the head of such department shall be Chief of the division. The division shall consist of Water Department personnel and auxiliary personnel (volunteers).

Section 7. **VOLUNTEERS.** All persons, other than officers and employees of the city, volunteering services pursuant to the provisions of this ordinance, shall serve without compensation from the city. While engaged in such services, they shall have the same immunities as officers and employees of the city performing similar duties.

Section 8. **PUNISHMENT OF VIOLATIONS.** It shall be a misdemeanor, punishable by a fine of not to exceed $500.00, or by imprisonment for not to exceed six months, or both, for any person during a disaster:

A. Wilfully to obstruct, hinder or delay any members of the Disaster Corps in the enforcement of any lawful rule or regulation issued pursuant to this ordinance, or in the performance of any duty imposed upon him by virtue of this ordinance;

B. To do any act forbidden by any lawful rules or regulations issued pursuant to this ordinance, if such act is of such a nature as to give, or be likely to give assistance to the enemy, or to imperil the lives or property of other inhabitants of this city, or to prevent, hinder or delay the defense or protection thereof;

C. To wear, carry or display, without authority, any means of identification specified by the Disaster Council.

SECTION 9. This ordinance shall be published once in the Daly City Record, a newspaper published weekly in said city of Daly City, California, and hereby designated for that purpose, and shall take effect and be in force at the expiration of thirty (30) days from and after its passage.

Introduced this 14 day of March, 1949.

Passed and adopted as an ordinance of the City of Daly City the 28 day of March, 1949, by the following vote:

AYES, Councilmen: Bertetta, Battye, Mooney, Green.

HOW TO FIX IT

EVEN IN THIS DELIGHTFUL AGE OF LUXURIOUS BATHROOMS EVERYTHING IS NOT ALWAYS PERFECT. FOR INSTANCE, SOMETIMES THE RUBBER BALL VALVE IN A BATHROOM FLUSH TANK HAS A TENDENCY TO STICK OR DOES NOT CLOSE QUICKLY ENOUGH AFTER BEING TRIPPED. HERE'S WHAT TO DO TO REMEDY THIS: INSTALL A SMALL WEIGHT ON THE BALL STEM. SUCH A WEIGHT CAN BE DEVISED BY CLAMPING TWO LEAD WASHERS ON EACH SIDE OF THE EYE AT THE UPPER END OF THE STEM WITH A BRASS BOLT AS SHOWN IN THE ILLUSTRATION.

Your Hobby May Be a Winner

WHATEVER YOU DO DO THE BEST YOU CAN— A HOBBY CAN TURN INTO A PROFITABLE BUSINESS—IT DID FOR LUCY CLAUSEN A BUG COLLECTOR—
TICK TOCK
IF YOU DO BABY SITTING, TRY TO BE THE BEST BABY SITTER IN THE WORLD—

BY WALTER KING

SOMEBODY, some day, is going to be recognized as the champion baby sitter of the world. There have been many stranger "champions," such as No. 1 gate-crashers, and flagpole sitters. And many seemingly queer fancies and fads of young people have paid off handily in later years.

Berry Pink shot marbles. He proved too good for his school pals so he set out to conquer new fields. He had the urge to become a champion "migger" and he did become champ in a big way. He earned the title of Marble King of the World.

Then he stopped shooting marbles and became a manufacturer turning out as many as a million "migs" a day. As a sideline, he collects rare marbles from all over the world. The collection totals around 4000 and some of the precious stones are nearly 1000 years old.

VEE LAWNHURST had an urge to hum. Singing didn't appeal to her a bit but she did love humming. Words couldn't interest her so much as the tune. She would hum through all the tunes she knew, and then hum a lot of others besides. It was hard work sitting quiet until school got out.

Years later she was writing a new song tune every few days, and selling them for good prices. She would jot down notes for tunes on cafe menus, old letters, wrapping paper—anything that was handy while a new dance rhythm wandered around in her head.

• • •

LUCY CLAUSEN was a bug collector. She liked bugs dead or alive, and always had plenty of pests for her pets. At 25, her hobby had become a business for she was housekeeper to hundreds of bugs. Her work consisted of raising specimens and to do this she had to be an expert bug dietitian. Once her roaches went on strike because they objected to her monotonous banana meals. So she had to treat them to spinach to get them to behave.

If you have a hobby, play it for all it is worth. If you have an urge, or an itch, to do something unusual, do it. Your hobby must satisfy an inner desire within you and it should not interfere with anyone's happiness. If the hobby seems right and proper, by all means give it full play. Some day it may pay off.

Big Leaguer at Heart

Connie's parents were dumbfounded when their unusually active junior high school daughter made poor grades in gymnasium. The teacher's remarks also showed that Connie was discourteous and displayed poor sportsmanship.

"Explain this, Connie," her father demanded sternly.

"The teacher's the one that's a poor sport, dad," Connie replied. "She always umpires the games we play and the players are supposed to 'jaw' the umpire."

Modern "Hooky"

St. Louis school children like to play "hooky." It's a new school game for kindergarten children. The game consists of hooking metal fish and it's designed to teach color matching.

Different Kind Of Dart Game

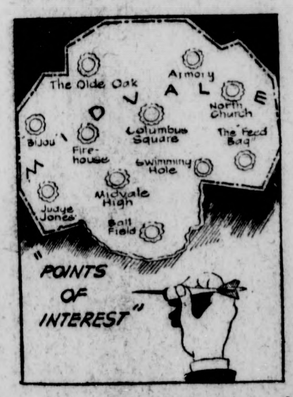
HERE is a dart game to make called "Points of Interest."

Make a list of the interesting things in your home town: historic places, old trees with an unusual story, homes of people you know, churches and schools.

Now, take a sheet of wrapping paper and draw an outline of your town. The size of your map will depend on the number of points of interest you have collected, for these are to be marked on the map and shouldn't be too close together.

Get a box of small stars at the dime store and stick one on the map to represent each interesting spot. Letters under them tell what they represent. Give each marker a value. The more important or famous places have higher values. Mount your map on fiber board, add a cord so you can hang it on a convenient wall, indoors or out. You can use the darts from any dart game.

The idea of the game is to have the players take turns trying to



hit the most valuable points of interest on your map with the darts.

Allow the player to throw three darts, record his score, and remove the darts for the next player to try his luck. You can either play as long as you like and make the winner the one with the highest score, or set a goal of 200 before you start playing and the first to reach it wins the game.

JEFFERSON HIGH GIRLS' SPORTS

By Claire Allen

On looking over the girls sports column in the April Fool issue of the Jeff Hi school paper, it seems the students have advanced to playing tiddly-winks and jump-rope, but all kidding aside the girls are playing some of the hardest games of their lives, especially the seniors. It is their last year so they want to get all they can out of it. There is an interclass tournament which lasts for four days, April 4, 5, 6, and 7.

The first two days are practices, and the last two are games. The Freshmen will play the Juniors, and the Sophomores will play the Seniors. Then the winners of these two games play for the championship. The winning players receive numerals or chevrons.

Tests in folk dancing were given to all the classes Monday with basketball rules tests given a few days afterward. The girls were given one folk dance by the teachers to do and they had two of their own choice on which to be graded. They do the dance with their partner and then the teacher hands the students a colored peice of paper which designates how well they performed.

Barbara Biagini and Joan Hopman received their medals for 250 points and are now proudly displaying them.

FOLK DANCING CLASSES START

Classes in "Folk Dancing" will begin this evening (Friday, April 1) at the Bellevue Avenue Recreation hall commencing at 8 o'clock. The Daly City Recreation department is sponsoring the program and it will be supervised by Mrs. Muriele Pabst.

You'll have a good time so ask your neighbors and drop down to the Recreation hall tonight.

D.C. Sportswomen Postpone Meeting

Because its president, Mrs. Frances Nensteil, will be out of town, the Daly City Sportswomen's club has postponed its monthly meeting date from April 13 to April 27.

Mrs. Nensteil, who resides at 209a Irvington street, is leaving for San Diego April 9 to visit her son, Charles Farr, a civil service employee of the Navy fire department. Mrs. Nensteil will also visit her daughter, Mrs. Mildred Dunn of Los Angeles. She will return April 15.

The Sportswomen are helping the Associated Sportsmen by running the Huck Finn fishing booth at the Cow Palace. Those assisting are Mesdames Lillian Miller, Dorothy Johnson, Vi Prigmore, Mary Sullivan, Frances Nensteil and Miss Ruby Miller.

Every Week --- 'Something New' at Broadmoor Church

Every week something new happens at the Community Presbyterian Church on 87th west of Junipero Serra in Broadmoor Village, according to its minister. Rev. John A. Glasse, whose only problem seems to be to find a tenor or two for the adult choir.

The women of the church are making vestments for the children's choir; the men are organized to get the grounds in shape before Easter. Added facilities such as a new rug and more toys afford better nursery care for small children during the morning worship service.

Continuing the series of messages on the church, Mr. Glasse will consider the question "What Is This Christianity?" next Sunday. The adult choir, directed by Memory Gomez, with Esle Faust at the organ, will sing "Passion Chorale" by Hassler as arranged by Bach, and Mendelssohn's "Praise Be Thine" will be sung by Carol Freeland and Marilyn Koehler.

"The King of Kings" will be presented on Good Friday at 12:30 p.m. and 8 p.m. The Sacrament of Baptism will be administered on Palm Sunday morning, and special Easter Day features are being arranged.

The regular Sunday school meeting is held at 9:45 a.m. every Sunday, while the morning worship is at 11:15 a.m.

Gen. Pershing PTA Thanks "Record"

"Thank you's" to the Daly City Record were received from the president and publicity chairman of General Pershing PTA this week. The Record was thanked for past favors and helping the organization contact so many people through their publicity.

A reminder is sent to all about the installation of officers to be held Tuesday evening, April 5, at the General Pershing school.

More than 1,000 different postage stamps honoring the Red Cross have been issued in countries throughout the world. GIVE TO THE RED CROSS.

Grand President Pays Visit To El Carmelo Parlor

Grand President Margaret Farnsworth of the Native Daughters of the Golden West made her annual official visit at a joint meeting of El Carmelo Parlor No. 181, Daly City, and San Bruno Parlor No. 246 of San Bruno March 16. The meeting was held at the Masonic hall in Daly City.

A class of candidates were initiated in to the order, among whom were Joan Hopman and Barbara Biangini of Daly City.

Chairman of the evening, Dorothy Donofrio, district deputy grand president of San Mateo county, and her committee had decorated the Blue Room and banquet hall in the theme of St. Patrick's Day. Refreshments served at the close of the meeting also carried out the theme.

Women Of Moose Meet April 6th

Moosehaven Chairman Pauline Goodreau and Teresa York, chairman of sponsors, have charge of the program to be given at the meeting of the Women of the Moose, San Francisco Chapter No. 739, at 8 p.m. April 6 in the Moose Hall. Committee reports will be given at the meeting.

The sewing unit will meet at noon the same day. Hostesses for the meeting are Mesdames Vivian Dover, Peggy Evans, Irma Heyberger, and Clotilda Guerazzi. New members are invited to attend.

A committee meeting will be held at 2 p.m. All chairmen are asked to be present.

The women bowlers started their summer handicap league at the Sport Center on Mission street Tuesday. Six teams are participating so far.

NEWS FROM THE SCHOOLS

WOODROW WILSON

New officers have been elected for the W. W. E. orchestra and girls' glee club. In orchestra, Charles Olson is the president, Gary McFall vice president, and Robert Pool librarian-secretary. For the girls' glee club, Carol Bertelli is the new president, Joyce Folmer vice president, Arlene Trapp librarian, and Wauneta Viele secretary.

The students of the sixth grade have won the P.T.A. Honor Banner a second time for having the most parents present at the monthly P.T.A. meeting. Individual yellow pennants were handed to each of the boys and girls. In social studies they are studying the many products of the Republic of the Philippines. The students have learned that hemp and manila paper are made from the abaca tree. They were amazed at the many products that are made from the copra or dried cocoanut.

The students of the low and high seventh are reviewing the geographical and historical facts about Greece for an examination. The class has shown great interest in the stories of the lives of John Muir and Joseph Lister. They are also learning about the digestive tract and the correct foods that form a balanced meal.

CROCKER

Did you ever hear of "Coyotes" drinking milkshakes? Well, the Crocker Coyotes did, having been treated by their coach, William Tergis, for again bringing athletic recognition to their school. The precedent, established last year, for winning the basketball championship of the city, Coach Tergis and Captain Jack Phillips led the "Coyotes," the Crocker A team to a score of 17 to 7 in the final game of the season, with Perpetual Help's team. The Coyote team played a deliberate "wait for the right shot" game.

Each member of the "A" team will receive a basketball charm, and the school will hold the trophy for the coming year. The presentation of the individual and school awards will take place at an outdoor school assembly conducted by Student Body President Shirley Filippo, and attended by Superintendent Snell, the teachers, student body, Coach Tergis, and Recreation Supervisor Bob Seiler. Crocker student body and teachers are very proud of the good sportsmanship shown throughout the season by the "Coyotes" and the untiring effort and interest of the Crocker coach. The A team players in the final game were: Captain Jack Phillips, Jim Herman, Dave Martinez, Martin Verece, Joe Lewkowitz, and substitutes Ed Christianson and Jim Francis.

Six hundred and sixteen pines have been planted in the name of the Crocker student body for their contributions in the recent "Penny for a Pine Drive" conducted by the students.

H5 and L6 have been doing some very interesting visual work in connection with "The American Continents" dealing with the study of steel, cotton, and electricity. Booklets, charts, and pictures are being prepared for the children's use.

H7 and L8 have fought the Revolution with Washington and are beginning to understand why our country was badly in need of a new set of laws at the time the convention was called to amend the Articles of Confederation.

The L7 and H7 sang Peggy O'Neil again as a request from the previous week when they sang Irish songs. The children took a short trip through Switzerland where they climbed the Alps and found out about the people.

Mona Weaver has entered Crocker School. She comes from Ohio. The students of the L7 and H7 welcomed Mona, and are introducing her to the other members of the student body.

Paul Schwebel, H5, transferred to the Bret Harte School in San Francisco, having moved to Yosemite street in that city.

JEFFERSON

A cruise to Hawaii is the most interesting topic of concern to the sixth grade lately. The class is engaged in studying the Islands by way of an imagined trip to that fascinating place. The students have divided themselves into groups or committees, each investigating one phase of life in the Hawaiian Islands, then acting for one day as hosts to the rest of the "travelers" while they tell the rest of the class about their discoveries.

A special "Museum Committee" has been appointed to care for the many articles donated by friends. These exhibits add greatly to the knowledge and enjoyment of the class.

The sixth grade is also conducting some interesting experiments which involve growing plants from seed, using only water and light. These experiments were a result of the study of the uses of water.

"California Today" is the topic of discussion in the fifth grade during social studies period. In connection with this the class has been learning and singing California songs in both English and Spanish. Eric Faust, Dick Stookey and Bernard Lemp performed in skits concerned with California and its historical importance. Diane Gracchino showed a collection of California pictures which proved very interesting.

Judith Loken, a new fifth grader at Jefferson, has recently transferred from Concord.

OLPH Mothers Club Reports Success For First Spring Fashion Show In Daly City

Many were the "oh's" and "ah's," many a Daly City wardrobe was mentally renovated, and new hair-do's dreamed up, as an aftermath of the first spring fashion show sponsored by the Mothers' Club of Our Lady of Perpetual Help school last Saturday, March 26.

Almost four hundred Daly City ladies and their friends enjoyed a delicious luncheon of baked ham, potato salad, hot rolls, coffee, ice cream and cookies served in the school auditorium. At each place was a daffodil corsage and the stage, which was decorated by the United Air Lines, was flanked on each side with massive jars filled with spring blossoms of a deep pink hue.

Miss Virginia Fuller, of the Hales Brothers Grant Avenue store, presented and pointed out the details of over forty outfits which were modeled by eight of the leading San Francisco models.

The beautiful girls came from the stage, down the stairs and onto a runway which ran the length of the auditorium. Among the models, who excited as much admiration as the lovely clothes they wore, were Emilie Schofield, Pat Knudsen, Pris Emory of the famous Emory twins, Pat Docey and Dorothy Walker. These girls represented San Francisco designers at the Paris style show last year and received much publicity at the time.

The style show, which everyone agreed was an outstanding social success, was also a financial success. The proceeds of this affair, as with all the affairs of the Mothers' club, will go to benefit the school building fund and for other educational purposes.

Almost every member of the Mothers' club assisted in some capacity to make the affair a success, under the leadership of the following chairmen: Mrs. Valetta Ennis, general chairman; Mrs. Jean Denning and Mrs. Mary Calegari, decorations; Mrs. Theresa Sullivan and Mrs. Elsie Thomsen, hostesses; Mrs. Ann Drury and Mrs. Camille Clark, refreshments; Mrs. Marie Marinakes and Mrs. Esther Nolan, door prizes; Mrs. Susan Schroeder and Mrs. Lee Miller, investment; Mrs. Isabelle Liberti, tickets and reservations.

Tuesday, April 5, the monthly dessert-whist will be held in the school auditorium of Our Lady of Perpetual Help school at 80 Wellington avenue. Home made cake and coffee will be served in the auditorium at 1 o'clock, followed by the usual whist game.

Mrs. Marion Balestrieri and Mrs. Dorothy Streibel, assisted by mothers of the first grade pupils will be in charge of the whist and refreshments, respectively.

Friday, April 8, the Mothers' club will hold its regular meeting in the school auditorium at 8:30. The regular meeting will be followed by a social meeting at which refreshments will be served. Mrs. Esther Nolan, hospitality chairman, assisted by the mothers of the fifth grade students, will be in charge.

FROSH-SOPH BASEBALL

Jefferson high's frosh-soph baseball team was scheduled to meet San Jose at San Jose Thursday, March 31.

They will play Palo Alto here on April 28.

Women's Civic Club Install Officers

The Women's Civic club held installation ceremonies last Thursday evening, March 24, at the home of Mrs. Lillian Cavagnaro, 428 Irvington street.

Officers installed by Mrs. Anne Eason and Mrs. Maizie Boyle were: Rose Watson, president; Amelia Lewis, vice - president; Maizie Boyle, secretary; Julia Byrne, treasurer; Lillian Cavagnaro, historian; Marie Pool, auditor; Margaret Fields, parliamentarian; Lillian Cavagnaro, property; Marie Gehrig, citizenship; Martha Linden and Marie Pool, program; Dora Holmberg, sunshine; Anne Eason, publicity. Each officer received a lei.

The Hawaiian theme was used for the evening. The table was decorated with Easter trimmings. Mrs. Eason and Mrs. Boyle favored the guests with Hawaiian dances and songs.

Volunteer Nurse's Aides of the San Mateo County Chapter American Red Cross serve throughout the year at Community Hospital, the Well Baby Clinic, Hassler Health Home in Redwood City and the Veterans' Hospital in Palo Alto. GIVE TO THE RED CROSS.

Sharp Park Girl Scouts Now In This Council Area

Sharp Park Girl Scouts will become members of the Council area according to a decision made at a meeting of the Daly City - Colma - Bayshore Girl Scout Association Thursday, March 24, at the Parkview Scout House.

The Day Camp chairman, Muriel Pabst, and Mrs. Oberg, chairman of Camp Wasibo are working hard on their projects. At present there are 111 adults working with the group of 353 registered Girl Scouts.

A census was taken at the meeting to see how long each member had been in the scouts. Mrs. Gould held top honors by being a "scouter" since 1923.

Refreshments including a large birthday cake celebrating the 37th year of scouting were served by the refreshment committee: Alice Detweiler, Gertrude Hiett, Winifred Evans and Josephine Silva.

Singing, under the direction of Carolyn Parsonneau, provided one of the highlights of the evening.

Again victory, sparked in the bright blue eyes of Coach Glenn South as he and his Jeffersonians slew and mauled the once proud Sequoians from Redwood City 6-2 in the first league game of the season. Ed Cereghino proved too much for Sequoia as he struck out 14 Cherokee players and gave up three hits, nothing more than a dribble in a rain bucket.

"Big" Ed also showed good stuff as he slammed the ball for a double to hit across two runs his first time at bat and to walk twice more to come up with a perfect .1000 batting average for the day.

Richard Vers and Hal Mosman each received two hits which were very beneficial in the win. Don Lunghi, John Olcese, Don Woll, Hank Morgan, Ted Welp and Al Findlay each recevied a base knocker to give all nine at least one hit in the game. This alone showed the hitting might of one Jefferson nine.

Olcese scooped up a hot grounder and shot it to second to Welp to make one of the most outstanding defense plays of the day as they tagged the Sequoia runners out by a 10 foot margin.

The second inning was the biggest inning seen for the Daly City nine this season as the complete team came to bat, getting five hits and scoring five runs, all in one inning. Morgan came to bat and hit a single. Vers also followed with a single. Welp then sacrificed Morgan and Vers to second and third. Findlay laid into a single scoring Morgan, and Mosman continued the early rally by hitting the fourth single for the inning, scoring Vers for the third run. Cereghino then stepped to the plate and laid into a double, scoring Findlay and Mosman. Lunghi got on base on error, sending Cereghino to third. Olcese grounded out, and Big Ed scored the fifth run. Woll ended the rally by grounding out to short.

Again in the fourth inning another run was scored as Mosman singled, Cereghino walked, and Lunghi singled, scoring Mosman.

Final score Jeff 6 and Sequoia 2.

CCPT Will Meet Monday, April 4

The April executive board meeting of Seventeenth district, California Congress of Parents and Teachers, will be held on Monday, April 4, at 10 a.m. in the auditorium of Peninsular Avenue school, Peninsular avenue and El Camino Real, in San Mateo. Registration will open at 9:45 a.m.

This is a change from the regular meeting day, the second Monday of each month, which would be in the week of Easter vacation.

Information on the Seventeenth district convention and the State convention is to be given.

Woodrow Wilson P.T.A. News Notes

Students at the Woodrow Wilson school this week will be the recipients of two Philco table model radios, presented to them by the Woodrow Wilson P.T.A. Radios are being used more and more in classrooms to present to the children educational programs and many musical programs whereby children learn to appreciate classical music.

Mrs. John Sorensen, president, and Mrs. William Cheatham, president-elect of the Woodrow Wilson P.T.A., will attend the regular district executive board meeting at the Peninsula Avenue school, San Mateo Monday, April 4.

Mrs. Sorenson will also attend the third session of the class in parliamentary procedure April 5. Classes are held every Tuesday at the San Mateo Park School from 9:45 to 11:45 a.m.

The executive board meeting of the Woodrow Wilson P.T.A. will be held Wednesday, April 6, at 1 p.m. with Mrs. John Emerson, 771 Niantic street, as hostess. Co-hostesses are Mesdames Emil Miller and Emil Bertelli.

Mrs. G. J. Sirex, unit counselor, will be the installing officer at the installation of newly elected officers April 19. The installation will be held at 8 p.m. in the sewing room at the Administration building, 344 Santa Barbara avenue.

Woodrow Wilson P.T.A. room mothers will meet at 1 p.m. Thursday, April 7, at 439 Willits street. Mrs. Al North is the hostess, with Mrs. Michael Seebits, Mrs. J. Anti and Mrs. S. Halliday as co-hostesses. Work will be resumed on the felt pins which are awarded to the children winning the P.T.A. attendance award. A P.T.A. banner will also be presented to the room that wins the attendance contest.

Navy Selecting Qualified Girls

Qualified young ladies between the ages of 20 and 31, who are high school graduates, and who present three character references are being selected for the Navy Waves. Waves have successfully filled approximately 450 different kinds of Navy jobs, in fields of communications, supply, aviation, administration, and hospital work.

Additional and diversified types of work will be added as continuing studies indicate that they are appropriate and useful. Waves are now stationed in the United States, many overseas bases, aboard hospital ships and on board naval transports.

Full information may be secured by phoning the Redwood City Navy recruiting station, phone number EM 8-1185. An information pamphlet will be sent upon request.

Crocker PTA Plans For Installation

Plans for the installation luncheon and twentieth birthday anniversary of the Crocker P.T.A. were formulated Tuesday, March 29, at an executive board meeting held at the home of the unit's president, Mrs. James Jordan, 576 Bellevue avenue.

Mrs. Jordan is general chairman of the event which will take place at noon April 19 at the Crocker school. Decorations, which will be in green and white, will be taken care of by Mesdames Eve Hobbs, Julia Jordan and Mary Wakefield.

Those to be installed include Mrs. Florence Schmidt, president; Mrs. Mary Perro, vice president; Mrs. Edna Mullen, recording secretary; Mrs. Eve Hobbs, financial secretary; Mrs. Thelma Holcomb, corresponding secretary; Mrs. Emma D'Isep, treasurer; Mrs. Julia V. Jordan, historian; Mrs. Ann Ingersoll, auditor; Mrs. Effie Jordan, parliamentarian.

The group recently made a contribution to the Crippled Children's Fund and donated cookies to the San Mateo Blood Bank.

A magazine lunch was held March 22 at the home of Mrs. Peter Bordson, 614 Templeton.

Mrs. James Jordan will represent the Crocker unit at the presidents meet of the Seventeenth District on April 4. She also represented the unit at the publicity luncheon given in San Bruno recently.

Gasoline consumption in the United States in 1946 was estimated at 28,876,546,000 gallons.

George Gnau Loses To Ed Castagnetto In Golf Semi Finals

George Gnau of Brunswick street was defeated 5 to 3 by Ed Castagnetto in the semi-finals of the San Francisco city golf championship Saturday.

Gnau is a product of local schools and a University of California graduate. He is now employed by the state board of equalization.

Castagnetto defeated William McLeod Sunday to regain the championship for the third time.

PEDESTRIANS

Be considerate of pedestrians, advises the public safety department of the National Automobile Club. They have the right to safe passage across the street or highway, and courteous motorists will not deny them that right.

Midget Auto Racing Returns To Bay Area April 3

Midget auto racing returns to the Bay Area Sunday afternoon, April 3, at the fast Bayshore stadium.

Located next to the Cow Palace in San Francisco, Bayshore Stadium is recognized as the fastest quarter-mile dirt track in California.

Over forty drivers will take the starter's green flag in the qualifying trials starting at noon, April 3.

The roster of dare-devils is topped by Freddie Agabashian, three-time champion in northern California, Boomin' Bob Sweikert, indoor champion in his first season in the world record breaking midgets, Andy Guthrie, returning to the racing wars for the first time since his bad accident last April and highlighted by the possible return of Jolting Jerry Piper.

Piper was injured at Santa Rosa Speedway last October while running neck and neck with Aggie for '48 championship honors.

Midget auto racing attendance records were broken last year and new records are expected this season.

Attention was focused on the BCRA midgets last year when they set world records on the world's fastest speedway, Oakland Stadium ⅝-mile track. The Mitey Mites shattered all existing records held by the larger Indianapolis cars and established themselves as the finest auto racing equipment in the world.

Time trials will start at 12:30 with the Trophy Dash, matching the four fastest cars, commencing at 2:30 sharp.

S.F. May Revise Tow-Away Plan

Supervisor George Christopher has introduced a resolution in the board of supervisors requesting a study of the police tow-away system of traffic enforcement. The resolution went to a committee for a hearing.

Supervisor Christopher, in introducing his resolution, declared the plan has worked hardships on many citizens and visitors to San Francisco, many of whom have parked under emergency conditions.

The tow-away plan was instituted last year in an attempt to clear downtown streets to permit faster movement of heavy traffic between four and six p.m.

Best Sellers 100 Years Ago

One hundred years ago the book "The California and Oregon Trail," by Francis Padkman, topped the list of the nation's "best sellers." Issued in the year of the California Gold Rush, the book set forth what is probably the most accurate report of the movement to the West.

A specially formed drum on the anchor windless to hold and pull the links of an anchor chain is a "wildcat."

CONVICT LAKE

Convict Lake, located about two miles west of U.S. Highway 395 in Mono county, is reported to have received its name from the part it played in a desperate prison break of 29 convicts from the Nevada Penitentiary at Carson City in 1871. A party of settlers tracked them to the lake where a battle took place, in which fourteen convicts and one member of the posse were killed.

LOOK FOR SPARE FUSE

A check of the fuse set-up in your car very probably will disclose that a spare is carried in a pair of clips designed especially for that purpose, advises the National Automobile Club. Have a look at the block attached to the lighting switch immediately behind the instrument panel. The spare may come in handy some time.

Tyrone Power, Gene Tierney Teamed in Smart Comedy Roles For Hilarious 'Wonderful Urge'

Rollicking comedy, sparked by delightful performances by Tyrone Power and Gene Tierney, are the reasons given by previewers for calling Twentieth Century - Fox's "That Wonderful Urge," one of the most engaging pictures of the year. The film opens Sunday, April 3, at the Daly City Theatre.

Tyrone Power is the handsome newspaper reporter whose difficulties start when he is assigned to do a series of scathing articles about a frivolous heiress played by Gene Tierney. Showing her up as a scatterbrained beauty is enough to set Gene off on a tangent which leads the picture through a chase in which Ty finds himself marked down as a fortune hunter who has "married" Gene for her money. Love, the great leveler, steps in to bring the romantic pair together but not before they have gone from one escapade to another.

This is the first comedy role for Gene in a number of starts, and she goes all the way out in clothes, swank and modern romantic doings to make up for the heavier parts she has been playing. Power is the dashing, debonair man about Sun Valley and New York in a role which is said to match his talents perfectly.

Twentieth Century - Fox has given "That Wonderful Urge" an exceptional featured cast to add to the general gayety. Reginald Gardiner, Arleen Whelan, Lucile Watson, Gene Lockhart and Porter Hall are embroiled in the tomfoolery which highlights the fast-moving story.

Fred Kohlmar produced "That Wonderful Urge" while Robert B. Sinclair directed the film.

"The Untamed Breed," starring Sunny Tufts and Barbara Britton, is the second feature. Showing Friday and Saturday, April 1 and 2, are "The Boy With Green Hair," starring Dean Stockwell and Pat O'Brien, and "Rogues Regiment," with Dick Powell and Marta Toren.

"STOP" SIGNS

"Stop" signs mean "stop" not just hesitate, declares the National Automobile Club. At such signs motorists should come to a full stop and not proceed onto the main boulevard until they are quite sure that it is safe to do so.

The first ship to fly the Stars and Stripes was Ranger, when she was commanded by the redoubtable John Paul Jones.

Veterans Weekly News Column

Ninety-eight per cent of the World War II veterans who have entered training under laws administered by Veterans Administration are eligible for additional training, VA said.

By January 31, 1949, a total of 6,228,707 veterans, at one time or another, had entered training under the GI Bill and Public Law 16. Of these 5,749,023 had trained under the GI Bill and 479,684 had enrolled in schools and training establishments under Public Law 16.

On that date, only 61,406 former veteran-students and trainees had exhausted their entitlement to further GI Bill training, while 81,899 disabled veterans had been declared rehabilitated under Public Law 16.

Of the 6,228,707 who had entered training since the inception of both laws, more than one-third, or 2,476,090, were enrolled in schools, colleges, institutional on - farm training courses and on-the-job training courses on January 31.

The trainees included 2,249,877 enrolled under the GI Bill and 226,213 training under Public Law 16.

Sixty per cent of the nation's 15,081,000 World War II veterans had submitted applications for GI Bill and Public Law 16 training by the end of January, 1949.

Applications, totaling 9,212,552, included 8,216,545 for GI Bill education and training and 996,007 for Public Law 16 vocational rehabilitation.

Question: What is the latest date on which a World War II veteran may file claim for readjustment allowance for unemployment?

Answer: Allowances may be claimed for any week ending on or before July 25, 1949, or two years after date of discharge, whichever is later, but not after July 25, 1952, except for persons enlisting under the Armed Forces Recruitment Act of 1945. Such persons have two years after the end of their first period of enlistment or re-enlistment in which to claim the benefit and five years after the date of such discharge to use their rights.

Question: What is the function of the Board of Veterans' Appeals in the VA?

Answer: The Board of Veterans' Appeals renders final decisions on cases appealed to the Administrator of Veterans Affairs. The Board has no original jurisdiction; its work is similar to that of a court of appeals.

Question: Must I live on the farm I intend to buy with my GI loan?

Answer: No, but you will have to supervise the farming operations on your farm to qualify for the loan.

It is not a bit too early for veterans who plan to take advantage of State educational assistance in the coming summer session to start the application procedure rolling, in the opinion of Floyd D. Granger, veterans service officer.

This advice applies particularly to veterans who will have used up all their Federal educational entitlement under the GI Bill, and wish to complete their schooling under the State program, Granger said.

To be eligible for State assistance, a veteran must have been born in or entered service from California, must have been discharged under other than dishonorable conditions, and must have had at least 90 days' military service prior to January 1, 1947.

State aid consists of payment for books, supplies and tuition, plus a monthly living allowance of $40. The total expenditure for any one veteran is limited to $1,000.

Application forms and information, including an explanatory booklet, are available to interested veterans at the Veterans Service Office, located in the courthouse, Redwood City.

LARGEST GLACIER

Palisade Glacier, a seven-mile hike from Glacier Lodge in Inyo county, is reported to be the largest glacier in the Sierra Nevada and the most southerly in the United States. This comparatively solid mass of ice is about three miles long, one mile wide, and hundreds of feet deep. It is a relic of the ice age.

LOUIS Hayward emulates the romantic exploits of his father in "The Son Of Monte Cristo," in which he co-stars with Joan Bennett. Paired on the double adventure hit bill which is on the screen at the Crest Theatre Friday and Saturday is "The Count Of Monte Cristo," Alexander Dumas' immortal story.

MOVE WITH CAUTION

When a motorist moves out from the curb, he should move out with caution, advises the National Automobile Club. Before driving out, the wise motorist will take a good long look up and down the road, will wait for an adequate opening in the line of traffic to come along, will make sure that he will cause the least possible interruption in the flow of traffic, and will make a clear arm signal with the whole arm to give other drivers fair warning of what he is about to do. By observing these precautions, he helps keep himself safe.

High School Grads Now Being Selected For Navy Training

High school graduates are now being selected for the Navy's Technical School program. Over twenty schools are included in this program, including electrical, diesel repair, machinist, printers, radioman, journalist, and photography. Young men selected for this program are so notified before they join the Navy.

This program offers young men the opportunity to learn a skill, using the best of equipment, and to be paid while attending this school. Full information on this program may be obtained by phoning or visiting the Redwood City Navy recruiting station located in the county courthouse, Redwood City. Phone EM 8-1185.

Santa Cruz To Present Huge Outdoor Pageant

Preparations for one of the largest California outdoor spectacles of recent times are now underway in the heart of the Santa Cruz Big Trees in Santa Cruz county.

To be known as "The Miracle of the Trees," the theatrical pageant is scheduled for presentation the first three week ends in May by a professional acting cast augmented by more than 700 volunteers.

The production, which is to be an annual affair, will be staged in a huge outdoor amphitheatre now under construction. The impressive redwoods themselves will provide the backdrop of scenery for the 6-tier stage. Although the amphitheatre is being built to seat 5,000, it is constructed so that it may be enlarged later for a greater audience capacity.

Based on a religious theme, "The Miracle of the Trees" is a symbolic production presenting the story of man's eternal struggle for freedom and peace down through the ages.

In addition to the presentation of this yearly pageant, plans are being made for an Annual Fellowship of Man Award, to be bestowed upon a person who has done the most for human welfare and world peace during the preceding year. Every year a seedling redwood will be planted in a "Grove of Peace" — especially created for this purpose —in honor of this individual.

The Santa Cruz Chamber of Commerce is one of the first sponsoring organizations to be announced, although various groups throughout California are being asked to participate in this nonprofit corporation. The advisory council and board of directors already include such prominent Californians as Federal Judge George Harris; Actor Leo Carrillo, member of the State Park Board; Ray Darby, president of the Mission Trails Association; Dr. C. E. Farnham of the Southern California Council of Churches; and Rabbi Edgar Magnin of Los Angeles.

Executive director and producer of "The Miracle of the Trees" is Adrian Awan, renowned for his ingenious theatrical productions. In addition to numerous other projects, he is noted for his work with outdoor pageants such as the Hollywood Pilgrimage Play, The Ramona Outdoor Play at Hemit and the Mission Play at historic San Gabriel.

DRIVING DOWN HILL

Excessive speed is always dangerous but it is especially so when driving down hill, warns the National Automobile Club. Should you have to stop in a hurry everything is working against you, including the pull of gravity.

S.F. Organizes To Seek Olympic Games

San Francisco has organized a committee to seek the Olympic Games for this area in any year in which they may be obtained, it was announced here this week.

Meeting at the call of William Humphrey of the Olympic Club and Henry North of the Chamber of Commerce, the group heard Avery Brundage of Chicago, head of the U.S. Olympic Association, discuss the possibilities for San Francisco. Brundage pointed out that the 1952 Games, to be held at Helsinki, may have to be shifted on short notice, in which case any community capable of handling them might get them.

The San Francisco committee expressed the belief the City should go all out for the Games of 1960 or 1964, and in the meantime prepare to accept them in case an earlier date should become available.

The old saying "It's an ill wind that blows nobody any good," had its origin in nautical expression, meaning that no matter which way the wind blew, some ship must surely benefit from its direction.

So Fur, So Good

Model Joyce Russow finds this pearl gray stole of mutation mink is just enough to shield her from Florida breezes. The unusual furs—and Joyce—were displayed in a recent fashion show at Miami Beach.

Three famous Pacific Coast mountans were named for British admirals — Hood, Rainier and Helena.

News Notes From San Mateo Jaysee

With production nights set for April 7, 8, and 9, the term play cast at San Mateo Junior College is rapidly reaching the dress rehearsal stage of their preparations to present "Our Hearts Were Young and Gay," a delightful comedy that has been popular from coast to coast. Director Harry Keats of the faculty has an experienced cast of 17 students to portray the action of the play which deals with the adventures of two young American girls who go to Paris, one to study acting and the other, dancing.

The cast has been drawn from the entire county, while numerous other students have been working on the two sets and on programs, ticket selling and other duties connected with the problems of production.

The Matean sports teams finally had some clear weather and put on a good show in a number of sports. The baseball team won two conference games from Stockton College, 9-0 and 9-3, and this Saturday play Menlo College on the San Mateo diamond.

The jaysee track team took seven first places in a three-way meet at Santa Rosa Jaysee, losing to that college but beating Vallejo badly. This Saturday the tracksters go to Sacramento Jaysee to face that school and Grant Tech. The tennis team fought a strong losing battle at Berkeley in the state matches, losing out to Modesto Jaysee which seems to have the cream of the conference. The tourney ran three days, with San Mateo winning three singles and two doubles places the first day.

This week end the college is sending six student representatives to a state conference at Santa Rosa Jaysee where problems of student government will be discussed. The conference will last three days.

The first credited North Atlantic passage by a steamship was made by the Royal William of Canada. Although it took as long as many of the fast windjammers of the day, it proved the practicability of steam for deepwater work.

THAT BLIND MOMENT

Ever consider the reason for that blind moment that occurs after a car with dazzling headlights has passed? It is due, points out the public safety department of the National Automobile Club, to the fact that the pupil of the eye, dilated by the darkness of the night, has contracted enormously as a result of exposure to the bright rays of the other car's lights. The contraction, which occurs at 60 times the speed of dilation, is such as really to result in temporary blindness.

The nickname "leatherneck" was earned by marines in 1812 when stiff leather bands were sewn into their collars to ward off sword strokes.

"TRAFFIC WEAVERS"

"Eager beavers" are often "traffic weavers," points out the public safety department of the National Automobile Club. And "traffic weavers" are a serious highway menace. Drivers who weave in and out of traffic may get there quicker, but all too frequently they don't get there at all. Wise motorists help avoid accidents by getting into the proper lane and staying in the proper lane as consistently as possible.

The geographical belt located between the 40th and 50th parallels of latitude, in which are encountered the prevailing or stormy westerlies, is called the "roaring forties."

Information On San Mateo County Blood Bank

The San Mateo County blood bank whose equipment, arrangement and operative system is patterned after by like institutions in various western cities, occupies a unique position in that it is in the true sense of the word a "bank" with its commodity as blood in place of dollars.

It can be compared to a monetary bank because its policy of deposits and credits are indeed similar.

Like in a monetary bank, deposits are made in the blood bank to be drawn on in case of need. Also, like in a bank, loans are made. The essential difference between the two kinds of banks is that the blood bank is a non-profit organization; that through its operations, instead of saving individuals, business firms and farms from financial stress, it saves human lives. True, certain funds are needed to set up a blood bank and service charges are necessary to maintain it in part; but its principal deposit and debiting is in blood.

The county blood bank deals through a hopital, any hospital, in which a patient-patron of the blood bank is being treated.

It is obvious that in order to continue solvent a blood bank must balance its credits and debits. Therefore, if a patient draws on the bank for plasma or whole blood, an equal amount must be deposited. By keeping the blood bank solvent, one is assured that when an emergency transfusion is necessary the specified type and quantity of blood necessary will be dispatched at once from the blood bank to the hospital regardless of the hour, for a 24-hour round-the-clock service is provided.

Many church, fraternal and business employee organizations and trades unions have signed up for the protective plan at the county blood bank in San Mateo. These groups maintain credits at the blood bank, credits which can be drawn on by any group member or member of his or her family.

The list of organizations building up blood credits continues to grow at the blood bank, according to Mr. P. J. Hanzlik, executive secretary. "With modern medicine turning to blood transfusions in more and more cases, it is necessary that deposits be held at a high level if we are to continue to meet this increasing demand."

SLEEPY TIME NOT DRIVING TIME

Sleepy time is not driving time, declares the National Automobile Club. The heat of the engine and the hypnotic hum of tires on pavements can make any driver drowsy, and when he is drowsy he can all too easily slip across the borderline into a moment of sleep. The wise motorist doesn't risk this moment of sleep. When he feels himself getting drowsy, he pulls off the road, opens up the windows of his car to let fresh air in, gets out and walks around a little, or even takes a nap. He knows that it is much better to lose a few minutes napping by the side of the road than to lose his life napping at the wheel of a speeding car.

WEAK BATTERY TEST

The first test for a weak battery is the horn, declares the National Automobile Club. If you keep the horn and its connections in the best shape possible, when it blows weakly you should suspect the battery condition.

NOTICE TO ALL TAX PAYERS

The Tax Payers League of San Mateo County, Inc., is an Association of Home Owners and Taxpayers of the County who are working for your benefit and theirs, to stop the wasteful squandering of Tax money and thereby reduce or hold County Taxes to a reasonable level.

It is the belief of many that due to inefficiency and disregard of your interests YOUR Tax Money is squandered to the point where your Tax Dollar gets less than 50% of any other Dollar spent.

Your County Taxes have been increased over 100% in 3 years. Can you see a 100% increase of things bought with County Tax Money in your neighborhood? You, your friends and neighbors must do your part to stop this Waste.

This Tax League must have you and your friends as members and your financial support to carry this fight into the Court House in Redwood City. Mail in your application NOW!

Annual dues are $100 for the first $100.00 of combined City and County taxes that you pay and one Percent of the amount of all over $100.00 of taxes that you pay. Send your name and address with your dues and you will receive your membership card.
